Footnotes:
(1) Quarters: father has told us repeatedly now that he is providing quarters for us, for this school, to begin daily classes in.
(2) Father has spoken repeatedly that this is the paradigm his school works in: one where faculty staff and students are ONE. All are each one.
(3) Father has given repeated instructions about this: that everyone BEGINS each and every course, with an "A". You're given it already. Now its up to you what you do with it.
(4) The University of The New Covenant begins daily classes this coming September 5th. See www.unc.bz for more information.
